Irrigation projects from Gujarat, MP, UP and Bihar

†1824. SHRI BRATIN SENGUPTA: Will the Minister of WATER RESOURCES be pleased to state:

- (a) the State-wise number of the foreign-aided irrigation projects in the country at present;
- (b) whether Government have received any such proposal from State Governments particularly from the Government of Gujarat, Madhya Pradesh, Uttar Pradesh and Bihar;
- (c) if so, the details thereof alongwith the decision taken in this regard;
- (d) whether Government's attention has been drawn to the fact that the foreign aid provided for this purpose is not being properly utilised by the States; and
- (e) if so, the reasons therefor and the steps taken by Government in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF WATER RESOURCES (SHRIMATI BUOYA CHAKRAVARTY): (a) The State-wise number of ongoing externally aided irrigation projects are given in Statement-I. (See below).

[†]Original notice of the question was received in Hindi.

(b) and (c) The details of irrigation proposals received from the State Governments for external assistance during the last two financial years i.e. 1999-2000 and 2000-2001 and their status are indicated in statement-II. (See below).

(d) and (e) Water being a State subject, irrigation projects are planned, funded and executed by the State Governments according to their own priorities and availability of plan allocations. Central Government facilities in tying up external assistance on the request of State Governments to bridge the resources gap. External assistance is being received in the Government of India, Ministry of Finance and transferred to the State Governments in the form of Additional Central Assistance i.e. 70% loan and 30% grant in case of general States and 90% grant and 10% loan in case of special category States. The State Governments incur the expenditure from their plan funds in the first instance and subsequently receive reimbursement through Department of Economic Affairs, Ministry of Finance. The progress of externally aided irrigation projects is monitored by the Government of India, donor agencies and concerned State Governments. The implementing agencies are impressed upon at the apex level, as and when required, to accelerate the project implementation for utilization of assistance to the full extent.
